nursery school notes from **MISS DEBBIE**

Looking Back at the Festival of Lights

Chanukah is always a very special time at Temple Sinai Nursery School. The children learn about the miracle through stories and songs and puppetry. They eat potato latkes and applesauce, generously donated by Friend of a Friend. Each class celebrates at a festive party, which is organized by the class parents. The Chanukah lights are lit as we count together the eight days of Chanukah. The children in the 3's and Pre-K classes make their own menorahs. Below is a letter sent to me by one of our families about the menorahs that their children have made over the years at our nursery school. I smile a GREAT, BIG smile every time I look at the photo. It fills me with pride and joy to see the faces of these beautiful children shine in the glow of the Chanukah lights.

Wishing everyone a very happy and healthy 2019.

Shalom,

Debbie Neuschatz, Director

Hi Miss Debbie,

Laurence and I wanted to share this photo with you. We wanted to show you how much we love and cherish the Temple Sinai menorahs our girls have made in their nursery school classes throughout the years. We look forward to add to our collection each year. If any need repairs, Laurence has fixed them. We talk about who created what menorah and with what teacher. Funny stories and memories are shared. We hold this tradition close to our hearts. And yes, it makes for a long night of lighting the candles but we enjoy each moment!
